DREAM BOOK

FOLLOW YOUR DREAMS, TRANSFORM YOUR CLASSROOM

In an effort to expand the Foundation's programs and services, in 2016 the Foundation launched its first-ever Dream Book in order to provide the district with much-needed supplies and other tangible teaching tools, which are not supported by tax dollars and go unfulfilled because of budget restraints. Applications are received on a rolling-basis but applicatants are encouraged to apply at the beginning and middle of the school year as well as the beginning of summer.

As Dreams are received and approved for inclusion by the Dream Book Committee, they are added to the book. The book is then shared with our network of donors, who can then decide which Dreams they wish to fulfill. New in 2021, individual Dreams will be shared on our social media pages as well as our website. Donors will then be able to choose which Dream they would like to fulfill, either in full or in part. Once a Dream is fully funded, the requested items will be purchased by the Foundation for the teacher.

Further, the Dream Book Committee, which is comprised of select Woodland Hills Foundation Board Members, will also select Dreams to receive funding directly from the Foundation (when funding is available).

Any member of Woodland Hills School District's instructional or professional staff (teachers, counselors, librarians, nurses) is eligible to apply. There is no limit on the number of applications you can submit each year.
